

COVID GUIDELINES & SAFETY PRECAUTIONS

- Vaccinated participants may tryout without a mask if they so choose. Non-vaccinated participants must tryout with a mask. NO EXCEPTIONS
- Temperatures of ALL players will be taken prior to entering the court.
- Anyone with a temperature above 100° will be asked to leave the facility.
- Players should bring their own water bottles and towels to eliminate sharing.
- All equipment used during the tryout will be sanitized periodically throughout the event.
- Hand sanitizer will be available throughout the facility, including near the basketball court, specifically for player use.
- There will be frequent breaks throughout the try-out to allow participants to hydrate, sanitize their hands and separate from other players.
- At the conclusion of the event, players should exit the facility as quickly as possible to allow other groups to get started.
- If you or your family has traveled internationally or visited a state on the mandated quarantine list in the past 2 weeks, please inform us prior to registering or participating.
- If you have knowingly been in contact with someone diagnosed with COVID-19 in the past 2 weeks, you will NOT be allowed to attend the try-out.

The continued health and safety of our players and their families are our main priority. Please follow all guidelines to ensure you are doing your part in helping us maintain a safe space for players and coaches. Thank you.
